S'well What sets us apart?

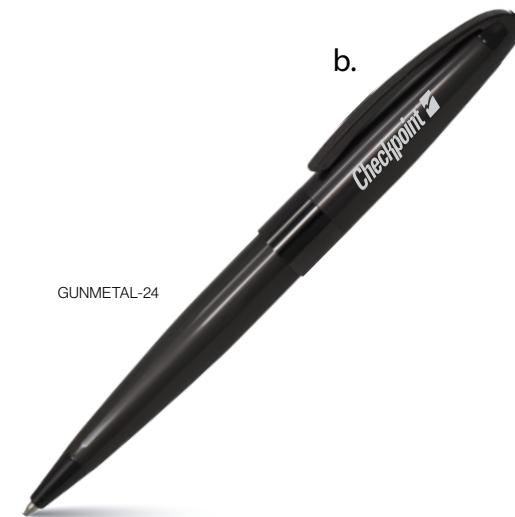

The S'well powered by Zing partnership was born from a shared passion for excellence. We are committed to providing you with your premier choice for decorated, retail quality drinkware.

S'well makes the most crave-worthy and highest-quality products in every category that they enter. Their beautiful aesthetic, product performance and deep customer connection always exceed the high expectations of their discerning customers. The combination of S'well's stunning design and heart-felt charitable initiatives creates an emotional connection and brand loyalty that is the envy of their competitors.

Zing Manufacturing has been a leader in the promotional products industry for over 20 years. Our 130 experienced team members understand the level of service and quality that is expected by our valued distributors and their customers. Through our body of work we have earned a reputation as providers of the highest quality product, customer service, best-in-class decoration, and lead time.

Bottom line: The S'well powered by Zing partnership is built to satisfy your need for the perfect promotional product!

a.

a. Ultra Can Koozie

06015-01

Upgrade your favorite beverage to first-class for a change. The Ultra Can Koozie keeps your drink cold and your hands dry. Plush ultra-suede feels just like natural soft suede leather but is resistant to stains and discoloration. Laser engraving further enhances the elegance by producing the look of a wood-burned brand.

Laser Engraved: Carbon Etched Effect

b.

b. Ultra-Suede Wine Tote

06018-01

Tired of having your perfectly-chilled wine warm up after resting on the counter for a few minutes? Our new insulated wine tote not only eliminates that problem, it also comes with a built-in, slip-free handle which will help to prevent your wine from crashing to the floor. This in addition to our classy "wood-brand" style laser etch technique will make this accessory the life of the party.

a. Mobile Phone Swivel Hitch

14040-01

Easily keep your cell phone in view while keeping your eyes on the road. Magnetic socket on your phone clips securely to the ball joint on your dashboard. This is similar in concept to a common trailer-hitch. Corporate logo is superbly engraved and creates an impression every time drivers get into and out of their cars. This mobile mounting hitch is the best solution for safely using your cellphone GPS navigation.

Artwork

Digital artwork should be emailed to artwork@zingmfg.com. Zing Manufacturing prefers artwork in vector file format. Please save artwork as .ai or .eps vector file types. All text must be converted to outlines. Artwork modification and typesetting services are available but will incur additional charges.

Paper Proof

An electronically approved or signed paper proof is required with all orders that contain new artwork. Emailed paper proofs are sent at no charge.

Logo Set Up and Engraving Charges

Where applicable, product prices include a one location engraving charge.

Setup charge for new logo: \$65.00(G)

This set up charge is a one time fee per logo. The logo can then be used on all Zing products at no additional cost.

Setup charge for a text logo: No Charge

Re-order Setup Charge: No Charge
